

DAN STOLEBARGER
WEEK OF OCTOBER 12, 2015

A Word from Dan

- ❖ We are currently on our inaugural Holy Ground Explorations 'Journey Thru Israel' tour. For this week's KFIR Middle East Update, we have provided the following Pdf Powerpoint, but our YouTube video will hopefully give you a feel for what we are experiencing here in Israel. We ask you all to be praying for the peace of Jerusalem!
- ❖ We have seen what CNN and BBC have been presenting and are appalled by the pro-Palestinian biased reporting.

SELAH

A SCHOOL OF DISCIPLESHIP

FEB. 11 – MAR. 2, 2016
LIMITED AVAILABILITY

SELAH – A School of Discipleship is a 21-day sojourn in the Land of Israel. When you think of SELAH, don't think TOUR for we will be traveling in vans and will only accept 12 participants. Our purpose will be to slow down and soak in the sights and sounds of the Land. We will be studying the book of Psalms for our morning devotions. In the evening, Dan will be teaching through the Book of James, and the epistles of both John and Peter.

SELAH will be for those who need some serious God-Time; it is a time to ponder...what God is saying to you, where you are in life, or simply to marinate in His love. Our pace and the amount of daily sites will be much slower, providing us with ample time for personal reflection. Our trip will be comprehensive as we will be on all the borders: the northern and southern most boundaries as well as the eastern and western borders of the Land of Israel.

On this trip, we will stay in hotels, hostels, guesthouses – it's truly our goal to give you a feel for what it is like to live in Israel. This feature has always been the delight of our former participants.

The "most significant" picture is that of the dead bodies of the young Israeli couple Naama and Eitam Henkin who were murdered in front of their four children last week. According to the PA daily, the killing of the couple brings "joy" to Palestinians who see the killing as "heroic".
- ❖ Terrorist murders two in Jerusalem's Old City - Assailant killed by police after stabbing rampage and wild shooting into crowd of tourists
- ❖ Victims spat upon and jeered by Muslim Quarter Shop owners ... "Die Jew Die!"

Hamas, Islamic Jihad praise wave of terrorist attacks

Hamas and Islamic Jihad call on Palestinians to carry out more terrorist attacks like the ones on Wednesday which targeted Israelis in Jerusalem, Kiryat Gat and Petach Tikva

Palestinian parents from Gaza were presented this week with the joy of naming their new-born baby. Seeking a role model for their child, they named him after the terrorist Muhannad Halabi just hours after he stabbed and murdered two Israelis.

Stabbings and revenge attacks: Violence washes over Israel

Within less than one hour, Palestinian stabs Jewish teen in Jerusalem, another stabs policeman in Kiryat Arba • Jewish assailant stabs four Arabs in Dimona, saying, "All Arabs are terrorists" • Jewish mob attempts to lynch three Arabs in Afula.

Fear and loathing in the Old City

The Muslim Quarter in Jerusalem's Old City is paved with blood: Nehemia Lavi, murdered there this week, is only the latest victim • The response has always been to increase the Jewish presence there, but this time hatred may get in the way

Major attack thwarted near Jerusalem, police officer hurt

Female Palestinian terrorist, a 31-year-old resident of Jericho, sets off bomb after being pulled over by Israeli police near Jerusalem suburb of Maaleh Adumim • Police believe terrorist was on her way to carry out a major attack in Jerusalem.

Abbas justifies violence and murder as "protection of holy sites"

Abbas, after Palestinians murder 4 Israeli civilians:

"The Palestinian side... did not do anything against the Israelis... that is our right. We have to protect our holy sites"

Abbas' advisor: Stabbing murder of two civilians in Jerusalem is "heroic operation"

After ongoing Palestinian riots, which have including shootings, stabbings, and rock and Molotov cocktail throwing - as well as the murder of 4 Israeli civilians - Abbas last week justified it all as legitimate defense of holy sites:

Abbas

- ❖ Referring to the raising of the Palestinian Flag outside the UN headquarters, Abbas said that flags are not only symbols, "but also a sign of dignity and glory." He said that the Palestinian flag would also be raised over the walls of the Jerusalem's Old City, as well as on mosques and churches.

Abbas calls on the UN

- ❖ Palestinian Authority President Mahmoud Abbas called on the UN to provide international protection to the Palestinians in the face of escalating violence in the West Bank and Jerusalem.
- ❖ According to a report in the official Palestinian Wafa news agency, Abbas spoke with UN Secretary General Ban Ki-moon on the phone on Sunday, and urged him to act to stop what he called Israeli provocations, "before things get out of control."

Massive Oil Deposits Found

- ❖ A giant oil deposit has been found in the southern Golan Heights and estimates are that the amount of oil found will suffice to make Israel self sufficient for many years to come. Large amounts of oil have thus far been found in three drillings that have taken place in the southern Golan Heights. The potential for production is in the billions of barrels. Israel consumes about 100 million barrels of oil per year.
- ❖ Bartov said, "There is enormous excitement. It's a fantastic feeling."
