# Time to Wake Up!

## **WELCOME to EUROSTAN - EUROPE was WARNED!**

More than 120 people were killed and many more were wounded in Paris late Friday night in a string of simultaneous attacks perpetrated by eight Muslim terrorists, most of whom were residents of Europe!

## **Bloody October: 11 killed in 609 attacks**

Shin Bet published statistics: Ten Israelis and one foreign citizen paid with their lives, while 80 were injured. (Jews in Israel are daily attacked by the same enemies, nobody cares! Only the removal of the enemy population from Jewish land will stop this idiocy!)

It is time that we came to the realization: we are in the midst of World War III. This is a war between jihadist Islam and Western civilization; a war between radical Islam and all those who refuse to surrender to its values and political demands...

# France Knows: This is War!

And not just any war, a religious war: the most dangerous and fanatical kind

Friday's "barbaric" attacks in Paris made it clear that France can no longer bury its head in the sand

Islamist jihad has arrived, and it intends to kill, terrify -- conquer.

# Bibi Speaks Out

- ❖ Israeli Prime Minister Benjamin Netanyahu on Sunday called on world leaders to show the same level of indignation over terror against Israelis as they do over terror attacks around the world.
- ❖ “The time has come for countries to condemn terrorism against us to the same degree that they condemn terrorism everywhere else in the world,” Netanyahu said. “It would be proper for Abu Mazen [Palestinian Authority President Mahmoud Abbas], who condemned the attack in France yesterday, to condemn ruthless terrorism against innocent people in Israel and fight the incitement that motivates it.”

# Abbas Speaks Out

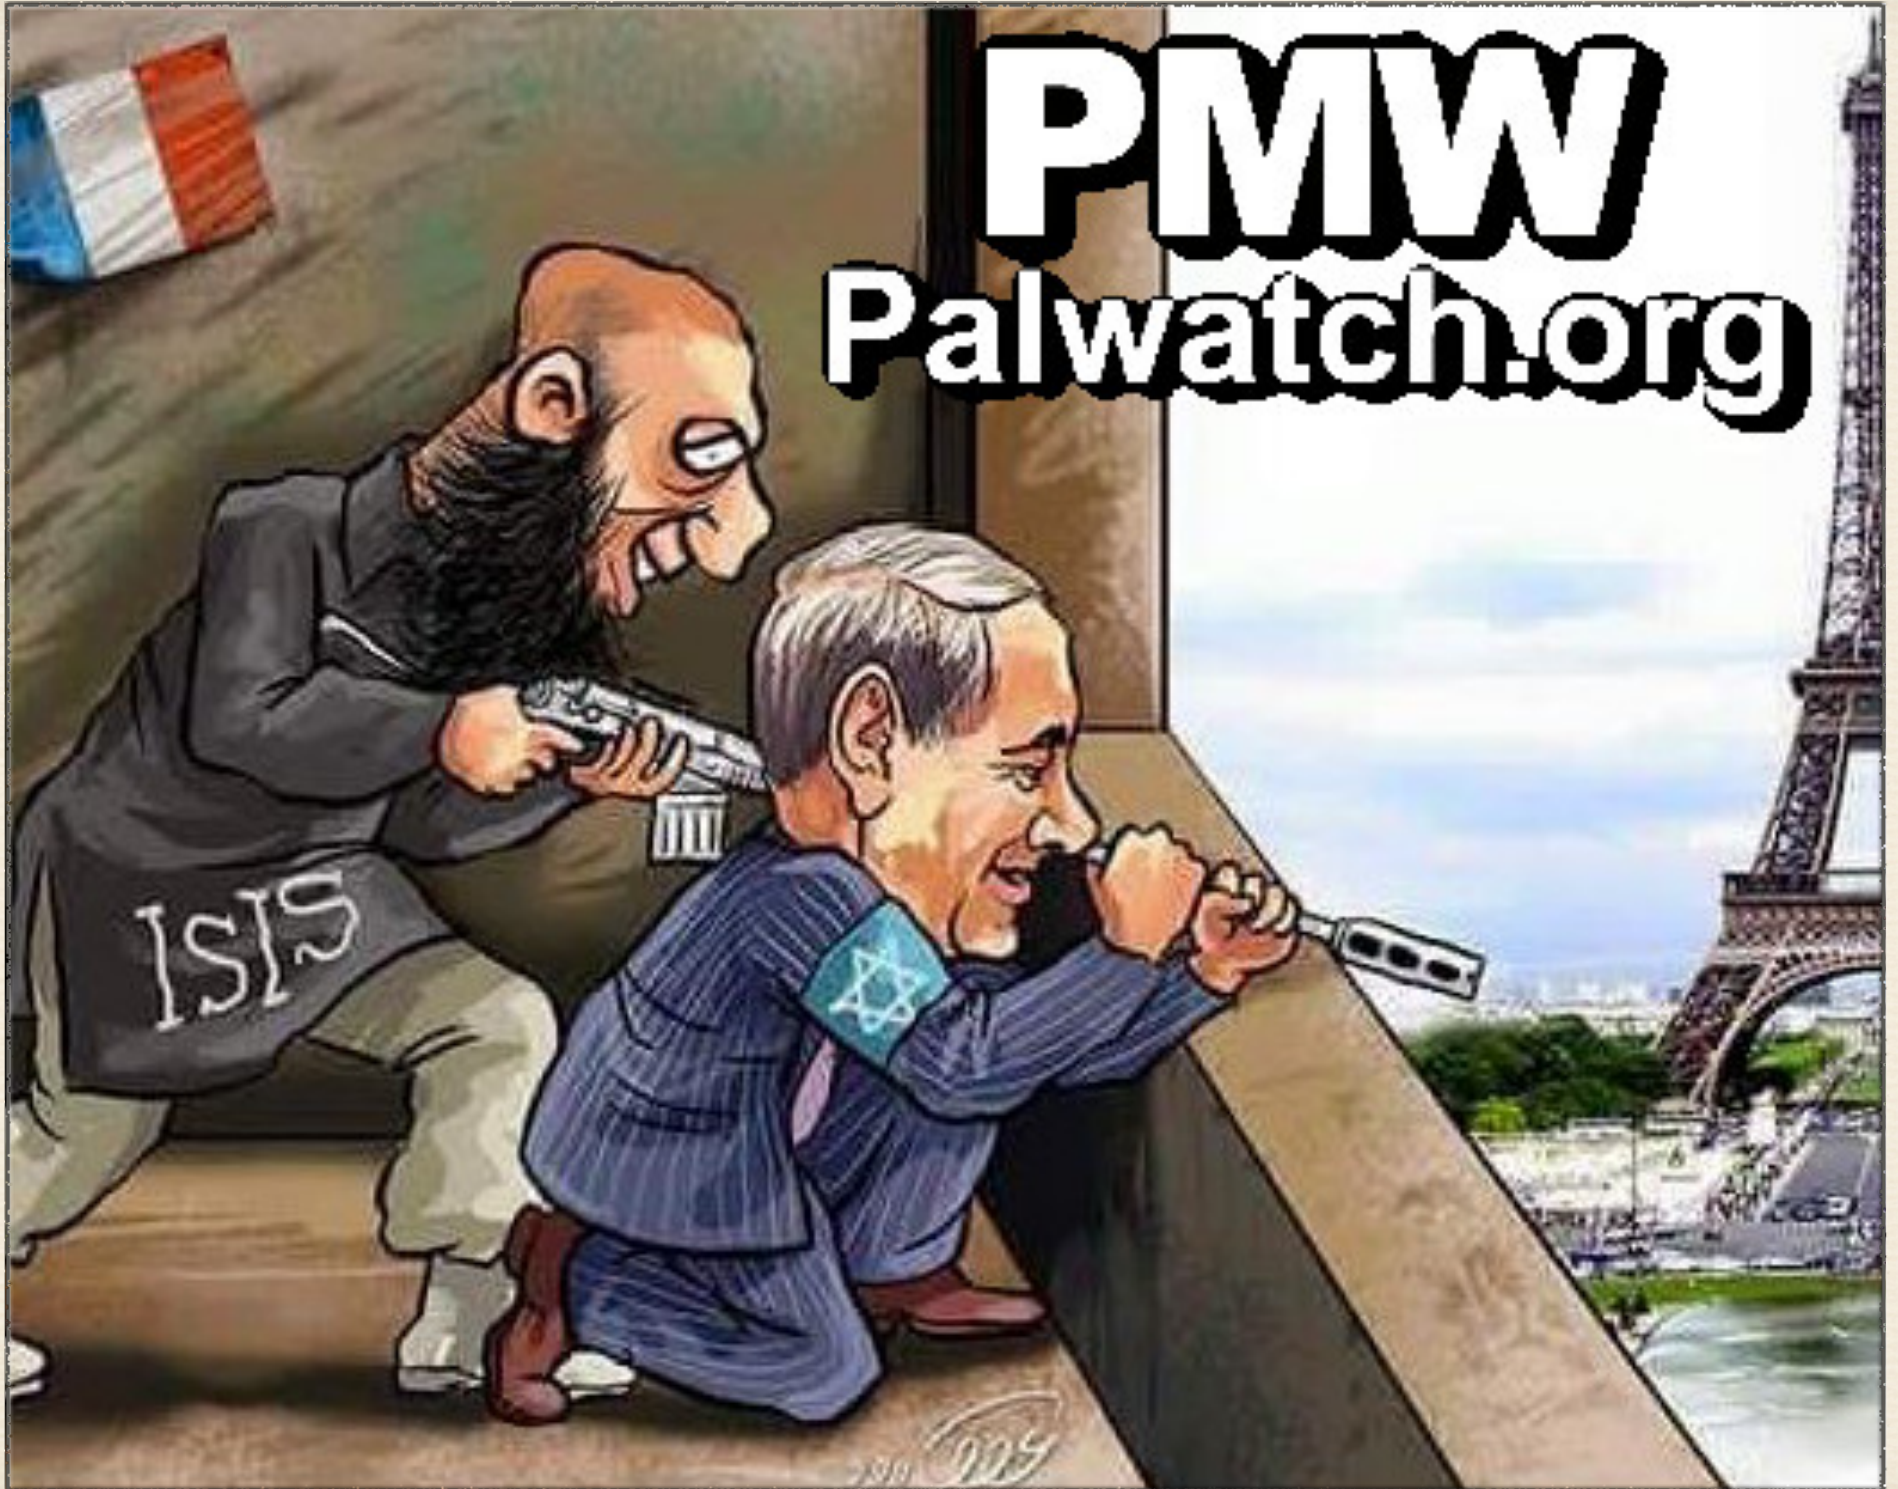

Abbas condemns Paris attacks, but not Hebron shooting - The Palestinian Authority (PA) and Fatah, its ruling party, both headed by PA head Mahmoud Abbas, condemned the terror attacks in Paris on Friday and blamed Israeli intelligence for carrying them out, Palestinian Media Watch (PMW) reported.

# Note the Timing

- ❖ A day after the European Union voted to label Israeli products originating from Judea and Samaria, which infuriated Israelis across the political spectrum, the US administration came out in support of the EU position.
- ❖ The Obama administration said Thursday it doesn't consider a new European Union (EU) rule outlawing "Made in Israel" tags on goods from Judea and Samaria as a boycott of the Jewish state, only a technical guideline for consumers.
