# THIS WEEK'S INTRO

**Isaiah 45:6-7** That people may know, from the rising of the sun and from the west, that there is none besides me; I am the Lord, and there is no other. I form light and create darkness, I make well-being and create calamity, I am the Lord, who does all these things.

**Proverbs 19:21** Many are the plans in the mind of a man, but it is the purpose of the Lord that will stand.

**Proverbs 16:4** The Lord has made everything for its purpose, even the wicked for the day of trouble.

**Psalms 22:28** For kingship belongs to the Lord, and he rules over the nations.

**Psalms 135:6** Whatever the Lord pleases, he does, in heaven and on earth, in the seas and all deeps.

# THIS WEEK'S HEADLINES

Israel reportedly struck a Hezbollah arms depot near Damascus International Airport on Friday morning.

WASHINGTON – US bombers flew off the east coast of North Korea Saturday in a show of force designed to project American military power in the face of Pyongyang's weapons programs, escalating already sky-high tensions.

Chief Superintendent Michael Frankenburg, the legal advisor of the Jerusalem District Police, has recently decreed that Jews carrying the "four species" would be banned from the [Temple Mount](#) during the holiday of Sukkot, Kipa reported.

Democratic Congressman Keith Ellison, who has called for Palestinians to eject Jews from Israel "the jihad way," is now comparing Jewish victims of the Holocaust to those who break the law to enter the US.

Sadiq Khan, the mayor of London, says US President Donald Trump's rhetoric is not much different than that of ISIS terrorists.

# TERRORISM or DOMESTIC VIOLENCE

A Palestinian terrorist on Tuesday shot and murdered three Israelis - two security men and one Border Policeman - and seriously wounded another security guard in the community of Har Adar, just north of Jerusalem.

The incident occurred at the rear entrance to the community, as Palestinian employees were arriving, including the terrorist, who had a work permit. Security officials began suspecting him, at which point he extracted a weapon from his shirt and fired, hitting four.

They managed to fire back and eliminated the terrorist.

# THREE ISRAELI'S KILLED

TUESDAY MORNING: Fatah glorifies this morning's murderer: "A morning scented with the fragrance of the Martyrs."

The 3 Israelis murdered this morning by a Palestinian terrorist have not yet been buried and Abbas' Fatah Movement is already celebrating the killings.

Terrorist murderer's family will be rewarded by the PA: 6,000 shekels paid immediately / 2,600 shekels each month for life

Right after this morning's terror attack in Har Adar northwest of Jerusalem, where terrorist Nimr Mahmoud Ahmed Al-Jamal shot and murdered an Israeli border police officer, two security guards and wounded another Israeli, Fatah's Nablus Branch hurried and glorified the attack and the terrorist's "Martyrdom" with this post on Facebook:

# FATAH HONOR MUNICH MASSACRE

45 years after the massacre at the Munich Olympics, Abbas' Fatah Movement is still honoring the planners of the murders of the 11 Israeli athletes and celebrating the terror attack.

During the 1972 Summer Olympics in Munich, the Palestinian terror organization Black September, a branch of Fatah, took the members of the Israeli Olympic team hostage, and murdered 11 of them.

**On the anniversary of the murders this month, two branches of the Fatah Movement posted photos of the terrorist murderers and comments glorifying the attack on Facebook.**

# PA SCHOOLS

75 Palestinian Authority schools named after terrorists and Nazi collaborators and honoring Martyrs and Martyrdom

- 31 PA schools named after terrorists
- 3 PA schools named after Nazi collaborators
- 41 PA school names glorify Martyrs or Martyrdom
- School funded by Belgium given name of terrorist

FYI - Shadia Abu Ghazaleh was one of the first female Palestinian terrorists. She was killed in 1968 when a bomb she was preparing accidentally detonated and Dalal Mighrabi was the terrorist who led the murder of 37 civilians, including 12 children, in a bus hijacking.

# TRUMP'S PEACE PLAN?

**"Is Trump about to reveal his Mideast peace plan?" by Shlomi Eldar:** "The Palestinian source believes that when Netanyahu understood that Trump meant business, he convened his ministers to prepare for what he foresees as a diplomatic offensive that must be foiled... "Netanyahu surely knows much more than he's letting on to his ministers," the Palestinian official told Al-Monitor. He added that... the principles are already known and clear to both Abbas and Netanyahu. **"That's why [Netanyahu is] worried," said the official. "So far there has not been a public declaration [about two states]," the source said. "But we know the American plan will result in Palestinian independence, in a state within the 1967 borders."**" [[Al-Monitor](#)]

# ROY MOORE

ALABAMA ELECTION: In a closely watched Senate race yesterday, former Alabama Supreme Court Chief Justice Roy Moore, defeated the establishment Republican candidate, Luther Strange, in a special primary runoff for Jeff Sessions' seat. Moore was backed by ousted White House aides Steve Bannon and Sebastian Gorka. **On the positions page of his website, Moore emphasizes, "We must remember that Israel is the United States' most important ally and partner in the Middle East and should reject agreements or policies that undermine Israel's security. We should pass the Taylor Force Act and move the U.S. Embassy to Jerusalem."**

# PA - INTERPOL

**In a stinging diplomatic defeat for Israel, the world's largest international police organization on Wednesday accepted the "State of Palestine" as a full member.**

At Interpol's annual General Assembly in Beijing, the Palestinians' membership bid was accepted with 75 counties voting yes, 24 voting no, and 34 abstaining.

**Israel fiercely objected to the Palestinians joining Interpol, arguing that Ramallah's alleged support for terrorism could hinder rather than aid Interpol's efforts. The US administration, too, objected to Ramallah's membership bid and helped Israel lobby against it.**

**Israel had expressed concerns that the PA's membership in Interpol would result in sensitive information being leaked to Palestinian terror groups.**

On Monday, PA President Mahmoud Abbas announced he would again put forward a resolution for Palestine to become a full member of the United Nations, after a failed bid in 2011.

# QUOTE OF THE WEEK

It is incredible what political simpletons Jews are. They shut their eyes to one of the most elementary rules of life, that you must not 'meet halfway' those who do not want to meet you." - Zev Zabotinsky, in 1941, "THE ETHICS OF THE IRON WALL"
